

PIONEER TECHNOLOGY & ARTS ACADEMY - COLORADO

Public Notice of Intent to Apply

In accordance with the Colorado Department of Education (CDE) guidelines, Pioneer Technology and Arts Academy Colorado is required to inform community members and stakeholders regarding our intent to apply for the Nita M. Lowey 21st Century Community Learning Centers (CCLC) Grant Program.

The purpose of the 21st CCLC grant program is to support the creation of community learning centers that provide academic and enrichment opportunities, during non-school hours for students, particularly students who attend high-poverty and low-performing schools. The program helps students meet state and local student standards in core academic subjects, such as reading and math; offers students a broad array of enrichment activities that can complement their regular academic programs; and offers literacy and other educational services to the families of participating children.

The grant application will be submitted to the Colorado Department of Education by April 10, 2023. Please provide any feedback or suggestions you may have.

The grant application will be available for public review after submission of the application.

If you have any questions, please contact Dr. Derrick Love, Regional Executive Director, at 469-405-8967 ext.2216 or via email at dlove@ptaaschool.org.

Thank you for your support!
